

HOW TO PLAY

DARIEN LIBRARY PRESENTS

Our Summer Reading activities can be completed by reading physical books, e-books, or listening to audiobooks. Write down the name of the book or activity you completed on each menu line.

For every activity that you complete, you will earn one raffle ticket that you can use for a chance to win one of our prize baskets.

Log your activities through your Beanstack account to enter your raffle tickets for the prize baskets! Ask a librarian if you need help signing up for the Beanstack app.

Any participant who completes all 16 activities by August 5th will receive a Summer Reading T-shirt.

CHOOSE A CHALLENGE
